

International Application Process

If you **ARE** applying through a consultant/agent

STEP #1 - Prepare Your Documents

You will need to provide proof of eligibility including:

- Official notarized transcripts from your previous high school, college, and/or university
- Proof of English proficiency
- Portfolio (typically for Creative Art and Design programs)
- A copy of your up-to-date passport

STEP #2 - Apply Online

Get in touch with your consultant/agent and provide them your education documents and which program(s) you wish to apply to.

Please make sure you are diligent when selecting your program(s) as you may not be able to change your choice(s) once you have applied. All our authorized agents have logins for a Cambrian College online application portal where they will apply on your behalf.

STEP #3 - Receive an Offer/Letter of Acceptance (LOA)

Your consultant/agent will receive your offer through their Cambrian College online application portal. Please make sure your consultant/agent provides you with a copy of your offer/LOA. Please also make sure you check all the information that is contained within the offer.

STEP #4 - Accept your Offer/LOA and Pay your Fees

Please make sure you ask your consultant/agent to:

- Accept your offer/LOA on their Cambrian College online application portal
- Provide you details for how to pay your fees (this information can be found on the second page of your offer letter)
- Pay the fees as indicated in the offer letter before the fee payment deadline

We will then upload the fee receipt on your agent's online portal. Please make sure your agent provides you with a copy of the fee payment receipt.

STEP #5 - Apply for a Canadian Study Permit and Visa

Once you have paid your fees, received the final offer/LOA, and your fee receipt, you can apply for your study permit/visa as well as your work permit if your program includes a mandatory co-op or placement.

Pre-Application Considerations

- Have you planned how you will pay for your studies, travel, and living expenses?
- Are you sure you meet all the admission requirements for your chosen program?
